**VOICES FOR CHILDREN FOUNDATION WELCOMES NEW BOARD CHAIR  
DR. MICHAEL N. ROSENBERG**

**MIAMI – February 5, 2008** – Voices For Children Foundation, Inc., the fundraising arm of the 11<sup>th</sup> Judicial Circuit Guardian Ad Litem Program, welcomes its new chairman of the Board of Directors, Dr. Michael Rosenberg. He steps in for outgoing chairwoman Yolanda C. Berkowitz, who completed her two-year tenure in December 2007.

Dr. Michael Rosenberg has served on the Board of Voices For Children since 2000, and has been instrumental to the success of various committees, including board development and the building campaign, which seeks funds for a permanent home for the foundation. “I hope to continue the growth of Voices For Children’s fundraising efforts with the goal of providing a guardian ad litem for every child we serve,” Dr. Rosenberg said. “In addition, my goals include a permanent home for the Voices office so that we may expand the enrichment programs we offer the children.”

Dr. Rosenberg received his doctorate in dental surgery from the University of Maryland and holds a masters of science degree in orthodontics from Fairleigh Dickinson University. He has been a member of various professional societies including the American Dental Association, the Florida Dental Association, the South Florida District Dental Society, and the American Association of Orthodontists. He also has received professional awards such as the South Florida Dental Society Outstanding Member Award and the Florida Dental Association Outstanding Service Award.

“We are excited about Mike strengthening the Voices infrastructure as well as leading the organization into an era of unprecedented growth,” said Voice For Children CEO Nestor Rodriguez. “We are fortunate to have, in Mike, a keen businessman with an unparalleled passion and dedication to the plight of the children we serve.”
